<b>Population Centers</b>	Urban (L-M)	Rural (L-M)	Suburbs (M-H)
<b>Region</b>	East, West	South, Mountain	Midwest
<b>Large States - Number Electoral Votes***</b>	<i>Solid:</i> NY-33 (M), MA-12 (H) <i>Leans:</i> CA-54 (L), IL-23 (M), MI-18 (H), NJ-15 (M), PA-23 (M)	<i>Solid:</i> TX-32 (L), NC-14 (M), IN-12 (M), VA- 13 (M) <i>Leans:</i> FL-25 (M), GA-13 (L)	OH-21 (H)

\* Turnout figures are, like the rest of this table, very general, and reported as low (< 48% - L), medium (48-54% - M), or high (>54% - H).

\*\* Indicates that this group backs this party at very high rates (> 65%).

\*\*\* “Solid” indicates that the state voted for the party’s presidential candidate in all of the four previous elections; “leans” indicates that the state voted for the party’s presidential candidate in three of the four previous elections.
